

MURCHISON FALLS NATIONAL PARK

Escape The Ordinary

2025

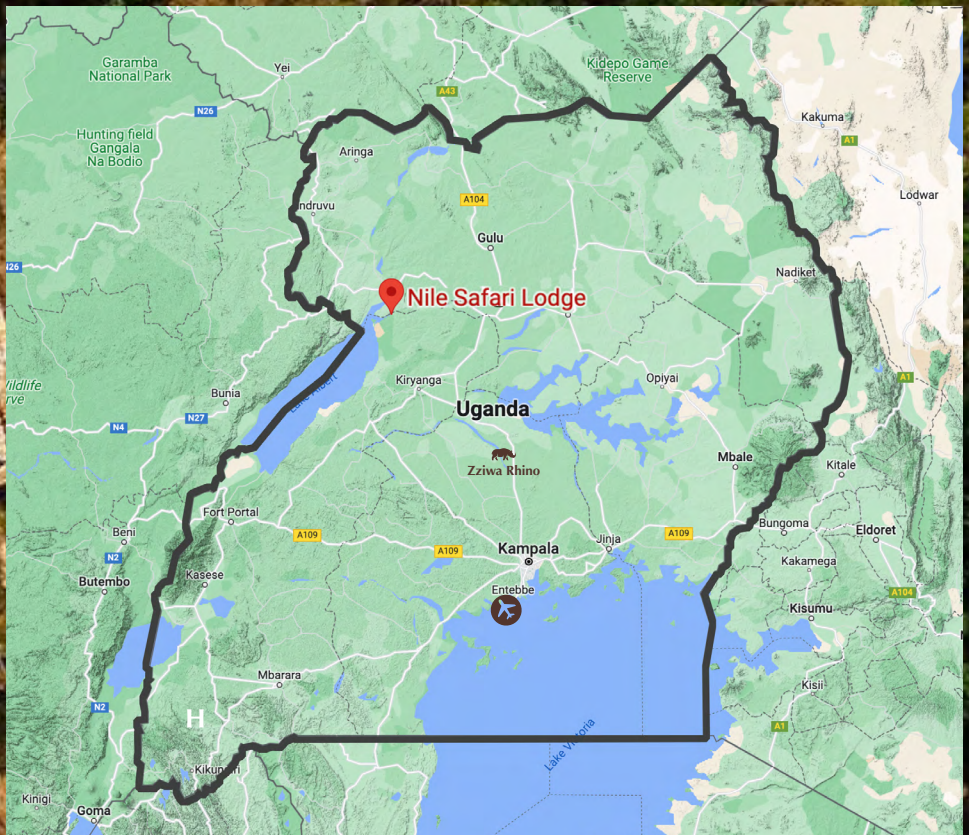

"When we think of Uganda,
one of the first things that comes
to mind is its diverse Culture
as well as the beautiful Fauna
and Flora. Words just don't
do justice to the Pearl of Africa.
We are NOVAM Ltd, a family
owned company directed by two
sisters with a longterm dream
of offering a unique, unforgettable
experience of a life time."

LOCATION:

Nile Safari Lodge is located in Uganda, Murchison Falls National Park. The lodge sits on 32 Acres providing accommodation in 8 luxurious Banda (Villas) with the following amenities on site: a spacious open restaurant, lounge bar, an infinity pool, massage, camp fires, and star beds.

WE OFFER:

Exclusivity and Luxury to our guests in the wilderness.

Types of Accommodation:

- 6 Deluxe Bandas
- 1 Family Villa
- 1 Exclusive Banda

Maximum Occupancy: 25 Guests sharing

CHILDREN & FAMILIES:

All ages are welcome with facilities easily accessible and wheel chair friendly.

Accommodation

A banda is a spacious cottage with modern interior design and amenities.

Our exclusive lodge features **eight secluded, luxurious bandas**, each designed to be your home away from home, ensuring ultimate privacy and comfort throughout your stay. Each banda is composed with a thatched roof, spacious seating area, day bed, a generous mosquito net, en-suite facilities with indoor and outdoor showers and a private viewing deck with a swing chair and deck chairs.

Your banda is your window onto some of the world's most spectacular scenery.

Deluxe Bandas

Our six deluxe bandas provide a high level of luxury and service inclusive of a traditional freestanding bathtub; Perfect for relaxing and enjoying the evening views.

A monsoon high-pressure indoor shower, vital for the early morning safari game drives and an outdoor shower designed to embrace the beauty of the nature surrounding your banda.

Murchison Falls National Park

Murchison Falls National Park is home to a diverse range of wildlife, including over 76 mammal species and 451 bird species. Covering an area of approximately **3,893 square kilometers**, it is Uganda's largest national park, offering exceptional biodiversity.

Visitors are guaranteed opportunities to spot and photograph four of the Big Five—lions, leopards, elephants, and buffalo. While rhinos are not present within the park, they can be observed at the nearby Ziwa Rhino Sanctuary.

Facts:

- Established in 1926 and designated as a national park in 1952, Murchison Falls National Park is Uganda's oldest and largest conservation area.
- It is best known for the dramatic Murchison Falls, where the **Victoria Nile plunges 45 meters** into the Devil's Cauldron
- The park is home to an incredible diversity of wildlife, including over **76 mammal species, 451 bird species, 51 reptile species and 51 amphibian species**.
